Mr. Kevin J. Martin, Chairman
Federal Communications Commission
445 12th Street SW
Washington, DC 20554

Dear Mr. Martin,

UnitedHealth Group Incorporated ("UnitedHealth") hereby confirms its commitment to a charitable contribution of up to \$5 million in connection with the State of California's bid for a grant from the Federal Communications Commission ("FCC") Rural Health Care Pilot Program (the "UnitedHealth FCC Program Commitment").

The UnitedHealth FCC Program Commitment will be restricted to the following areas: (i) telemedical equipment and training; (ii) technical support associated with upgrading telecommunications equipment; and (iii) training. The UnitedHealth FCC Program Commitment will be distributed over a three-year period, as determined by the State of California's application to the FCC Rural Health Care Pilot Program. The final amount to be contributed by UnitedHealth pursuant to the UnitedHealth FCC Program Commitment will be determined by UnitedHealth, the Department of Managed Health Care and the California Department of Insurance, based upon grant applications received, balanced against other funding priorities, but will not exceed \$5 million.

UnitedHealth and its affiliates will receive full credit for UnitedHealth FCC Program Commitment funds pursuant to the Undertakings Provided as Part of PacifiCare of California Notice of Material Modification Regarding Proposed Change in Control of Ultimate Parent Company, dated December 19, 2005 (the "DMHC Undertakings") and the Undertakings to California Department of Insurance, dated December 19, 2005, in connection with the UnitedHealth Group Incorporated Form A Statement Regarding the Acquisition of Control of a Commercially Domiciled Insurer (the "CDI Undertakings"). Further, the UnitedHealth FCC Program Commitment shall be subject to the terms and conditions of the DMHC Undertakings, the CDI Undertakings and the Memorandum of Understanding executed by UnitedHealth, PacifiCare of California, PacifiCare Life and Health Insurance Company, PacifiCare Health Systems, LLC, the Department of Managed Health Care and the California Department of Insurance pursuant to Undertaking 20(b)(4) of the DMHC Undertakings and Undertaking 15(b)(4) of the CDI Undertakings.

The UnitedHealth FCC Program Commitment will no longer be binding in the event the State of California's bid for the FCC Rural Health Care Program grant is not accepted.

Sincerely,

Nancy Monk,
Vice President
State Government Programs
